The case is still open, but the questions I was asking you all are not live issues.

ECRCO next step is to send draft informal resolution agreement to the recipients. No estimated date for when that will happen.

Thanks, Mary

Mary --

I know this is a super old email but I wanted to see how things ended up with this case -- I am still technically assigned to it for EPA and USDA and I have my docket review this afternoon. I wasn't sure if it was still open or if I should report it as closed.

Thanks for your help!!

Alyssa
